### Schedule

#### Tuesday, February 15, 2024

6:00pm Call Time in Theater *\*See Below for Details*  
6:45pm Theater Opens for Seating (choirs will robe)  
7:00pm Concert Begins (lasts about 70 minutes)

\* We take roll using the Choir iPad; a student will be in the theater starting at 5:40pm to take pictures of you. You must be in concert black for these pictures – black pants/shoes/t-shirt, but no robe. These pictures are time stamped, so your picture must be taken by 5:59pm; it's impossible for you to be in your spot for call time if you are still taking pictures... See below the policy from the Choir Handbook regarding Call Times, Tardiness, etc...

*Call times are concert-specific but are usually an hour before the performance time. The scheduled call time is when rehearsal begins, therefore students should arrive in full concert dress at least five minutes early for roll call. Tardiness has an extremely adverse effect on concert grades; the first minute late will result in a 15% deduction from the grade with 1% taken off for each additional minute late. Call times are in the performance location and for students only – no parents or friends, please! Students who do not yet drive are still held to this tardy policy, so it is your responsibility to find a ride to events.*
